navez.jerome@gmail.com

+32 474 40 66 10

Strong experience in Spring Boot and Angular. Fast learner. Cloud computing enthusiast. Not a nine-to-five guy. I have a passion for clean code and well-structured software. My motto: "The right code at the right place"

WORK EXPERIENCES

• **HMS NETWORKS** | R&D SOFTWARE ENGINEER
January 2023 - Current

Ewon Cloud, an industrial cloud solution connecting thousands of devices worldwide:

- Micro-services rewriting to fit the new standards;
- **Spring Security** implementation.
